## Titled CFDA Event Ads

If there is not an ad submitted by a club for their upcoming Titled CFDA match, I will typically create an ad myself. I do get the information for the ads from your registration and event information forms that are submitted for the CFDA website. So be sure to get your registration forms sent in ASAP if you have not already done so, as many people like to plan out their shooting season in advance and it also gives me information to create your ad. Since the new format is now smaller, State shoots will get a 1/4 page ad, and territorial matches will be given 1/3 page ad. If you are hosting a combined State/Territorial, both matches will appear on one 1/3 page ad. These ads will appear in the issue that is just prior to your event. If you will be sending in your own ad, please be sure to see the new ad dimensions listed on the CFDA website. I am also more than happy to send you a JPEG copy of the ad I created for you to use online, just email me with your request.

Good Luck and Safe Travels to All for the 2022 Season!

# INSIDE THE CFDA

By: Quick Cal, Executive Director

## A New Era for CFDA

Throughout history our society has always had to make changes and adapt to what some call “progress” while others do not. As members of CFDA while we “Honor the Romance & Legend of the Old West”, we must also accept that we live in current times, which also provides many modern benefits that we also cherish.

Newsprint is going the way of the Sears Catalog, the Telegraph, and the Pony Express. They’re never coming back, except for reasons of nostalgia. They all had to make way for “progress”!

Newspapers have also been disappearing across the world giving way to online publications. Most newspapers had their own printing presses, and to keep staff busy between publications they served the public by printing periodicals like real estate handouts, community trading publications, and other items like our Gunslinger’s Gazette.

We found out just 35 days before the deadline of this issue of the Gazette, that our printer was going out of business. This happened to us in 2013, and we quickly found a replacement, along with the huge benefit of going full color. This time we soon learned that there is no longer a newsprint publisher in Northern Nevada. We realized that even if we could find another newsprint source, we just couldn’t depend on how long that too would last. So, we decided it was time to update our entire format.

Our first order of business was to publish our 11th Edition Gunslinger’s Guidelines, which is produced every three years and was already in the editing process. So, we had to reformat immediately, after a solid week of editing, we put it out for review and proof-reading by our CFDA Regulator Posse. After printing it was mailed on February 3rd. You have received it by now. We hope you like it!

Now, with our first newly formatted Gunslinger’s Gazette, that you’re reading the hard copy or online, we hope that you like it!

What about future Gunslinger Gazettes? We’ve already had discussions here at CFDA Headquarters. Because of the sheer cost of publishing, printing and mailing, there are things we must consider currently and in the future.

We discussed going totally online, but ruled that out since many of our members, including me, are of the generation that likes to read the real thing. But then again, we’ve also had a number of members request us not to send the Gazette, they actually prefer to read it online.

We believe it is extremely important to our organization to have reliable communication outlets, published, online, and social media.

**CowboyFastDraw.com** is our official website and the key window into our organization. For years, we have been publishing our Gunslinger’s Gazette on our website as soon as we send it to our printer, so many of our members already read it online.

The **Gunslinger’s Gazette** is a quarterly publication which is the **Official Journal of CFDA**. However, it is 3 months between publications. Perhaps it is time to also publish an official monthly CFDA Website “online” **Gunslinger’s Bulletin**, just a page or two, with the latest news about Cowboy Fast Draw. We will consider that soon.

**Cowboy Fast Draw Society - Facebook Group**, is the best source for up to the minute information about CFDA, and our CFDA Family. We understand that many of our members avoid Facebook for various reasons, including Alotta Lead, I don’t blame them, I don’t like their politics either. Maybe another option will come soon. But until then, please consider that Facebook is free, and you don’t really have to use it for anything except staying current with CFDA information.

**Decisions So Far-** The Gunslinger’s Gazette will go on both a printed and online format. CFDA will absorb the extra cost at this time, however the Gazette will no longer be distributed as a **“Recruitment Tool”** the way we used to. In order to trim added expenses, we are implementing the following steps:

1. We are going back to our original policy of only mailing one Gunslinger’s Gazette per household.
2. A few years ago we were forced to quit sending Gazettes outside of North America, due to the cost. After this issue, we will no longer send Gazettes to any member outside of the U.S.A.. They are available online to everyone.
3. We have already made refunds to any club that paid to have a bundle of Gazettes automatically shipped to them.
4. We are going to send a letter to many of our Life Members, some are active and some are not. We will ask them to confirm that they wish to keep receiving a hard copy of the Gunslinger’s Gazette. If we don’t hear back from them, we’ll

assume that they are either not active or wish to read their Gazette online.

5. In 2023, we may need to revisit our dues structure, and include discounts for those who opt out of receiving a hard copy of the Gunslingers’ Gazette and desire to read it online.

We will still have CFDA brochures available to clubs as recruitment hand-outs, at no cost, except to cover the postage. They are available to Clubs at the CFDA General Store.

### **2022, Our 20th Anniversary of CFDA!**

**CFDA Titled Championships-** We are setting a new record with the most CFDA Titled Championships this season. The excitement continues to grow!

**New Website Information-** Soon we will begin to improve and expand our collection of online informational videos and information on CowboyFastDraw.com.

**Club Start-up Packages-** We are beginning to update and improve our Club Start-up Information & Packages.

**Championship Buckles-** We have switched our buckle provider and have developed a whole new look for our CFDA Championship Buckles. Beginning this year, while continuing to award our Overall Men’s and Ladies Titled Champions, we are also adding CFDA Championship buckles to our Men & Ladies Resident Champions.

**Deadwood-** We are back in Deadwood, it’s always nice to visit “Where it all began!”

**FGA’s New Indoor Venue-** We are really excited to announce that we are now in contract with Churchill County Fairgrounds in Fallon, Nevada to hold this year’s FGA with an expanded schedule. We’ll post an updated schedule very soon!

### **China Virus**

Looking back on the last two years brings on many mixed emotions. Currently, it looks like the virus is on its last legs as the Omicron variant fades, and it’s likely future variants will be weaker.

It is with great sadness that we have had to bear losing a number of our close friends and fellow gunfighters. We will forever remember them and will miss them greatly in so many ways.

It is also with great pride that we, the CFDA Family, kept going the best that we could to get through this catastrophic pandemic.

Perhaps we all learned to cherish and embrace life, family, friends, and the things we love to do even more than we had before..... May God Bless Us All!

I hope to see you at a CFDA Titled Championship soon.

# NEWS AND ANNOUNCEMENTS

By: Alotta Lead, CFDA Operations, Clubs & Events Director

**W**elcome to 2022! It's looking to be a banner year for CFDA, a lot of wonderful things are happening within the sport. So many CFDA Titled Championships to choose from and more coming on. But first, starting off with the new and improved new look of CFDA's Gunslinger's Gazette. We hope you enjoy it! Starting out with this new format, "Hannah Calder" went through quite an ordeal reformatting & resizing everything to fit the pages as they say. Thank goodness she's very knowledgeable about this & hits the mark every time. We know she'll do a fantastic job with the "new" Gunslinger's Gazette!

## Quick Cal's going Full-Time CFDA!

A milestone for our family...."Quick Cal" is retiring from his long time career in Real Estate Development & Construction of over 45 years. He's built several subdivisions and over 350 homes. For the past 20 years our son CJ a.k.a. Dead Eye Kid has worked by his side. It has been his dream for years to focus his full attention on CFDA. Among his goals are keeping the heart and soul of our sport and the spirit of the Old West alive. And, also keeping it the best fun, family sport for all to enjoy for many decades to come.

## We love all CFDA Affiliated Clubs.

If you find yourself a bit far from the closest CFDA club, maybe it's time to start thinking about trying to start your own CFDA Affiliated Club in your local area! We're developing a new and improved CFDA Affiliated Club Kit, and we're very excited about this, it'll be rolled out in the near future.

We hope to make it easier to access all of the necessary equipment and products to get up and going. Plus, we'll provide helpful tips and ideas that are tried and true on how to recruit new members, get start up money, create by-laws, set club member fees, range set-up, etc.

## Dressing Western

Getting dressed up in the costuming of yesteryear is another awesome part of this fun sport, heck, you'll see the ladies in their finery and the gentlemen walking around dressed like Wyatt Earp or a cowboy just coming off the trail after a long ride. Pick an alias and dress the part! **Dressing western is a key part of the fun!**

We recommend that **EVERYONE** in the shooter's area to dress in western appropriate

clothing as it's part of the atmosphere for the weekend, whether shooting or not. That includes guests and family members.

ALL CFDA ACTIVITIES i.e. dinners, awards, CFDA get-togethers etc., we **HIGHLY** encourage keeping within the spirit of our game at all times. Don't be the "fish out of water" type of person! Join in, you'll have way more fun being part of the atmosphere we try to create for the weekends we are fortunate to spend together. Please refer to page 5 – in the 11<sup>th</sup> edition of the CFDA Gunslinger's Guidelines – it explains it all!

## Club of the Year-

### Sawtooth Shootist Society!

I just wanted to say how proud I am of our Club of the Year. What a fantastic group, headed up by "Curley Calhoun" & "Cool Hand Suz". They're growing the club by leaps and bounds with new members coming on board, and for the second time taking on the CFDA Idaho State Championship. They also continue to put on other annual matches & events throughout the year. They have built a strong team spirit with not only developing champion shooters, but competent Range Masters, Score Keepers and Announcers. They pitch in to put on wonderful events. They truly deserve this honor, and we **congratulate them on a job well done!** The Idaho State Championship is loads of fun, great awards, a truly awesome weekend overall, one not to miss for sure!

## Speaking of Clubs

While our sport is fun in so many ways, there is *also* business to take care of when running not only CFDA itself, but all of our CFDA Affiliated Clubs as well.

To keep CFDA running on an organized schedule we have to establish various deadlines. Hannah Calder needs time to edit the Gunslingers' Gazette so we can keep our printer schedule. Affiliation paperwork needs to be processed to meet our deadline to renew our CFDA Club Insurance Program. We also have deadlines for things like Top Hand Awards, Marshal Muster Agenda Items, and for Sanctioning Contests. You can find all of our deadlines either in our Gunslinger's Guidelines or on the forms that can be downloaded from our website.

We appreciate at CFDA Headquarters, that most of our clubs and members are wonderful about getting items to us in a timely manner & by the stated deadline. But, when certain deadlines are not adhered to, whether its articles for titled championships, articles of interest, affiliation paperwork, etc., it can cause ripple effects that can cause delays and extra work on our end.

Even though we have deadlines we try and be pretty darn lenient, if we can. But, when an article or paperwork is just too late, we just have to keep CFDA moving...

## In Closing.....

Look for the **2022 "FASTEST GUN ALIVE"™ World Championship & Convention** entry online soon. Enter early! Once again, the big event is in Fallon, Nevada with the venue being held at the brand new, big, and extremely beautiful **Churchill County Events Center!** The **"Fastest Gun Alive"™ World Championship Week** will commence the week of **October 3rd!**

A jam-packed schedule of events will be out soon once everything is finalized as to what's happening during the week long event. Seminars by some of the top Gunfighters & Officials in our game. Including a Complete RO Course, Range Master Course, Ammo Loading, Scorekeeping, Hand Judging, Gun Care Clinic, etc.. Plus, our annual Marshal's Muster & Regulator meetings.

How about some evening activities like Old Drifter's Infamous Texas Holdem' Poker Tournament, entertainment with a great local group for an evening of dancing.

Of course, the CFDA General Store will be on site, with a few other vendors.

Now...for a quick word from Rowdy & Quigley who would like to *paws* for a moment & say, *"Always take special care of your pets & your four-legged family members. Keep us safe from the outdoor elements. We depend on you to take care of us & not abuse or neglect us. We're on this earth for such a short amount of time & the love we give is true and unwavering"*, To that I say..... let's give them all the love right back one hundred times over!!

To everyone, stay safe, enjoy good health, safe travels to all the upcoming CFDA matches across the beautiful USA, and most of all- have the time of your life!

**"CFDA All the Way"- Ride for the Brand! See you down the CFDA Trail!**

**With Hugs & Love "Alotta Lead"**

## Submitting Articles of Interest, Insurance Request Forms, etc.

*Please to send articles of interest for the Gunslinger's Gazette, updated match info, Match Results, member info updates, requests forms for Additionally Insured Certificates to:* **info@cowboyfastdraw.com**

That Way, our entire team at CFDA Headquarters will get it and your request will be processed more efficiently.

# CFDA 2021 TOP

**Kendra Short a.k.a. K.K. Kid #L1868**

**2021 Lady's CFDA Top Gun of the Year**

Interview By: Quick Cal

Quick Cal (QC)

*Howdy K.K. Kid, it's a CFDA Tradition to interview our Top Guns of the year and feature that interview in our Gunslinger's Gazette Winter Edition. I heard you were in Idaho this weekend for the John Taffin Shootist Challenge and thought I would give you a ring on your cell phone.*

K.K. Kid (K.K.)

*Howdy back Quick Cal, Yes I'm up here and shot my first match with a long gun, it was a lot of fun and very challenging.*

QC

*How did you do?*

K.K.

*I managed to win, but shooting a long gun sure wears you out.*

QC

*I have some questions to ask on behalf of our members, so let's get started.....*

*How do you feel about winning CFDA's Top Gun of the Year for 2021?*

K.K.

*I was actually shocked that I won. My goal was to make every CFDA Titled Championship in 2021, I almost succeeded, the only one I couldn't make was the Virginia State. It really came down to the Fastest Gun Alive, and last year's Top Gun of the Year, Dead Eye Daisy was such a tough competitor all year. I knew I was in the running with her, we both made the Magnificent 7 and when I went out before her I thought she would win. I was so surprised when they said I won Top Gun!*

*Of course, I really wanted to win FGA, but Cowboy Fast Draw is such a challenging sport that keeps you humble.*

QC

*How did you get started in Cowboy Fast Draw?*

K.K.

*My Dad, Windmill Kid was looking for a family-based shooting sport for us to*

*enjoy together. We tried Trap Shooting and Cowboy Action Shooting and liked them, but they were very expensive to buy all the guns and ammunition. Then, Boss, who my Dad has known for many years, told us about a sport he found about 6 months before that he was all excited about and invited us over to try it. That is where we all got hooked on CFDA.*

QC

*What do you love most about Cowboy Fast Draw?*

K.K.

*The People! It is really our CFDA Family! We have a network of friends in almost every state in the country. It is truly amazing just how friendly everyone is. Every year at the end of FGA, it's almost hard to leave Fallon, because I know it is the beginning of the off-season and I just can't wait for the next season to start again. But, that's when I love going to clubs shoots too.*

QC

*What inspired you to train to become a champion?*

K.K.

*Since I was very young, I've always loved to compete. Because of my competitive drive I learn to adapt and learn from both my losses and wins. I've never been one to just show up and shoot, I come to win. But, even if I go out in just 4 rounds, I ask myself, what did I learn? If I happen to win, I ask myself what worked and how I can apply that to the next shoot?*

QC

*How much do you practice?*

K.K.

*I had to practice a lot when I was first learning. I really don't practice much anymore, I'm just too busy going to so many shoots. Nowadays, actual competition is my real training. I do*

**2021 TOP GUN POINT CHAMPIONS  
K.K. KID & TANK**

*find myself thinking about my reactions, draw and mental focus in between shoots though.*

QC

*Do you have any tips for our members?*

K.K.

*Treat every shot as a learning experience. Keep doing what it takes to improve, there is always room for growth.*

QC

*What accomplishments are you most proud of?*

K.K.

*My very first win the Texas State Championship in 2011 and winning Top Gun of the Year!*

QC

*What are your Goals for 2022?*

K.K.

*I am shooting the long gun as a Shootist this year, and I'm totally committed to it. I have a newfound respect for Shootists. It requires a lot more stress on the body to draw that long gun and shoot competitive times. It's a real challenge. Of course, winning FGA is the ultimate goal and to do that with a long gun would be something really special!*

# GUNS OF THE YEAR

**Anthony Dorman a.k.a. Tank #L2889**

**2021 Men's CFDA Top Gun of the Year**

Interview By: *Quick Cal*

Quick Cal (QC)

*Howdy Tank, it's a CFDA Tradition to interview our Top Guns of the year and feature that interview in our Gunslinger's Gazette Winter Edition. You are the first Junior Shooter to ever win Top Gun of the Year! You are also our current National Men's Champion, GNTC, CA State, Junior Boy World Champion, and runner-up at FGA. That was a remarkable year! You only shot 8 CFDA Titled Championships and almost scored the maximum (310 Points) with 304 points.*

Tank

**Thank You Quick Cal, this year was a very special year to me, because I dedicated the entire year to the memory of my Grandma. (Diamond Rio)**

QC

*What a great way to honor her memory. Are you ready for some questions?*

Tank

**Yes sir!**

QC

*How did you do feel about winning CFDA Top Gun of the Year?*

Tank

**I feel really good about that! It was my goal to win the Nationals, Fastest Gun Alive, and Top Gun in my last year as a Junior.**

QC

*Wow, that was quite a goal, and you almost achieved everything! You almost won FGA too!*

*How did you get started in Cowboy Fast Draw?*

Tank

**I came to Idaho in 2012 to visit my Grandma, and Grandpa (Tin Bender) and they let me try Cowboy Fast Draw and I really got very interested and joined. I went home to Washington and talked so much about it and was excited when my whole family got interested and joined CFDA too.**

QC

*What do you love most about Cowboy Fast Draw?*

Tank

**I do really love to compete and pushing the limit to the max! But Cowboy Fast Draw is more than just that, it's like one huge family all over the country.**

QC

*What inspired you to train to become a champion?*

Tank

**Honestly, it was Spud and Speedy Bullfrog who were on top of Billy the Kid that really inspired me. When I saw Spud make the Magnificent 7 as a two-handed Junior in 2015, it really inspired me to become the best Junior I could be.**

QC

*How much do you practice?*

Tank

**Not that much anymore, unless I'm really working on something. I do think about and practice focusing my mind. About two weeks before any big shoot I sharpen up and do some shooting. But when it comes to the bigger matches, you just give it your all and the timing is either there or it isn't. It just comes when it comes.**

QC

*Do you have any tips for our members?*

Tank

**Shoot your shot, don't chase the rabbit!**

QC

*What accomplishments are you most proud of?*

Tank

**Being the first Junior to win the National Championship & Top Gun of the Year.**

QC

*What are your Goals for 2022?*

Tank

**Defend the National Championship &**

**TANK PICTURED WITH HIS GRANDMOTHER, DIAMOND RIO**

**Top Gun titles, and try again to win the Fastest Gun Alive!**

QC

*Anything you would like to add?*

Tank

**I'm just so grateful of having such a great sport to share with my family.**

QC

*Your 18 now, congratulations! You're finishing your senior year in high school, are you planning on going on to college?*

Tank

**Thanks! And Yes, I've been accepted to a welding school in Florida. So, I'm planning on moving there to pursue that, my family might move there too.**

QC

*Thanks Tank, I think we all know that you will do well in anything you choose to do. You have a lot of fans in CFDA and we'll be watching and rooting for you...*

### CFDA TOP GUN OF THE YEAR POINT SYSTEM

Each year CFDA conducts a year-end points race to determine the CFDA Top Gun of the Year. Shooters can accumulate points by attending and doing well in all CFDA Titled Championships. Each shooter's best highest 6 point totals will be tallied at the end of the year. Competitor tally must include their 2 best finishes in State Championships and any 4 others to establish their point total for the year. CFDA Awards the Top 10 Men and Women with belt buckles at the conclusion of the World Championship. Tie-breakers are determined by overall placing at the World Championship, where the season concludes each year. Any contests held after that date will apply to the following season.

The following point values will apply:

(For finishes below 6th Place, points will diminish one point per overall place until exhausted)

Place	State	Territorial	National	World
1st	40	50	60	70
2nd	37	47	57	67

# 2021 SHOWDOWN IN THE BLUEGRASS KENTUCKY STATE CHAMPIONSHIP

By Green River & Wildfire

**B**eaver Dam, Kentucky - 2020 threw a wrench in the works for us all in CFDA. And those of us in Bluegrass Fast Draw were no different.

## But we came back swinging in 2021!

We opened the match in our new location at the Beaver Dam Amphitheater. The city of Beaver Dam has always been a big supporter and really went out of their way this year. The venue was comfortable, clean and well set up. We could not have asked for better weather for the event and we were comfortable the entire weekend! Throughout the event we had 101 different competitors from 20 different states.

Thursday, September 9th was our Early Bird Shoot. We had 45 shooters

for this match. We raised \$890 from the entry fees that all went to the Ohio County Honor Guard. This match was a 3X men's/women's match. Men's winners were Green River 1<sup>st</sup>, Pale Rider 2<sup>nd</sup>, Shane 3<sup>rd</sup>. Women's winners were Brown Eyed Girl 1<sup>st</sup>, Maggie Jo 2<sup>nd</sup>, Ms. Cisco 3<sup>rd</sup>.

Friday, September 10th was our category day. We had 88 shooters come out to shoot that day. Men, Women and Youth all split off and went toe to toe for Category championships. Results can be found on the Bluegrass Fast Draw website along with all the matches held in Kentucky throughout the year.

On Saturday, September 11th we began the Showdown in the Bluegrass state championship match. We had 99 shooters in all. We had our morning meeting along with the Pledge of Allegiance lead by the Ohio County Honor Guard. We also had some words from Beaver Dam mayor, Paul Sandefer, who thanked us all for holding our event in the city.

We shot 8 rounds the first day and then broke for our banquet held at the Ohio county fairgrounds. Food was provided by the local FFA chapter.

On Sunday we ran a Resurrection Match. Winners in the Men's division were 1<sup>st</sup> Shane, 2<sup>nd</sup> Syxkiller, 3<sup>rd</sup> Cheyenne Shooter. Women's winners were 1<sup>st</sup> Ladybug, 2<sup>nd</sup> Blaze, 3<sup>rd</sup> Leadfoot T.

The main match was hard fought

but when the smoke cleared our new champs emerged.

Overall Placement for the Women's Division was Dead Eye Daisy 1<sup>st</sup>, Billie Sioux 2<sup>nd</sup>, K K Kid 3<sup>rd</sup>, Texas Rose 4<sup>th</sup>, Miss Shotwell 5<sup>th</sup>, Sassy Sparrow 6<sup>th</sup>, Crazy Jane 7<sup>th</sup>, Flying Cowgirl 8<sup>th</sup>, Dead Eye Di 9<sup>th</sup> Swootz 10<sup>th</sup>.

Overall Placement for the Men's Division was Big Ugly 1<sup>st</sup>, 2 Buck Chuck 2<sup>nd</sup>, Trapper Dan 3<sup>rd</sup>, Bobtown Red 4<sup>th</sup>, Jackass Jiles 5<sup>th</sup>, Pale Rider 6<sup>th</sup>, Gentlemen George 7<sup>th</sup>, Seven 8<sup>th</sup>, Ramblin Red 9<sup>th</sup>, Jayhawker 10<sup>th</sup>, Delta Whisky 11<sup>th</sup>, Gray Ghost 12<sup>th</sup>, JC Dalton 13<sup>th</sup>, M.T. Gun 14<sup>th</sup>, Long Ranger 15<sup>th</sup>.

I want to thank everyone in Bluegrass Fast Draw for coming together to make this happen. The event was a complete success, and we hope for it to be even bigger in 2022!

# THE SUNDOWNERS HOST THE 2021 WESTERN TERRITORIAL CHAMPIONSHIP

## AT SHELTERWOOD RANCH

BY HUCKLEBERRY HONEY

**O**roville, California - The Western Territorial Championship started Saturday, May 1<sup>st</sup> 2021 - with perfect weather at 84° being the high, and it all happened in the Village of Gold, Oroville California that is..... It was a tough act to follow after The Cowboys hosted a fantastic California State Championship the day before!!

We had a great turnout out of 127 total shooters, 38 ladies and 89 men!! We had about 25 RV/Campers on the ranch grounds and 11 States represented, plus 1 from BC Canada.

We started the WTC morning off right, with a "WELCOME to the Ranch" speech from Fowl Shot, some safety rule reminders, a prayer from Yosemite Sean and....let's get to the firing line!! With 4 ranges hot and running, we sped through 8 rounds in what seemed to be no time. Thanks to Wild Shot and Six Iron Butterfly in the scoring room, they ran a flawless scoring match.

That evening, on the grounds of Shelterwood Ranch, we kicked off the night with a great meal catered by a local town favorite, Wagon Wheel Market. Tri-tip, chicken, bacon ranch pasta and green beans... it was amazing. If you were there, you know it was a good time!! But if you weren't, we had a fun time with the LIVE Auction for Shoot for The Stars, then Old Drifter set up the poker tables, someone started playing music, then there was dancing, the saloon was open upstairs (only after shooting hours, of course) and our awesome Photographer for the weekend, Cussin' Carrie with CK Photography, captured it all!!

We would like to THANK all of our contributors who donated to the Silent/Live Auction for SHOOT FOR THE STARS!! With your support we raised \$4,130!!! Whether you donated or purchased, you made a difference!! A very special THANK YOU, to a special gunslinger with a HUGE heart - Holli Day, who helped organized and reached out to gather items, near and far to support our youth. Also, THANK YOU to Old Drifter for bringing out his new poker tables to raise even more for SHOOT FOR THE STARS!!

Our Donors; Billie Sioux & Spanky, Viper, Holli Day, Shady Mike, Everett Hitch, Jess, AZ Gunslingers, Legally Loaded, Sweet

Fuse, Cactus John, Bad Boy ♥ Knotty Blondie, Ernie Hill, Old Drifter, Shadow Walker, Mother Chris, Diamondback Billy, Ol Buck'r and The Deputies.

Sunday morning after our shooters meeting, we broke out into 4 Brackets. One Bracket per range, again... rounds were going down speedy fast.

### Master Gunfighter

**Champion** - Oregon Ranger .309 - OR

After the Bracket matches came to a conclusion, we set forth with the remainder of the WTC and shook out the Magnificent 7 Men and Ladies.

Outside on Range B, we started with four very talented young ladies going into the Jr.Girls Finals. They were all wounded with an X but here's how they panned out....

### WTC Jr. Girls

**Champion** - Flying Cowgirl - MI

2<sup>nd</sup> Chaos Cass - OR

3<sup>rd</sup> Prickly Pear - AZ

4<sup>th</sup> Cowgirl Up - CA

Then next round of finals goes to our three talented young gentlemen, the Jr Boys. It only took them 4 short rounds to let the dust settle. But a special mention needs to be said here. Any Time Kid took 13 shots during the finals, and he hit EVERY single shot, OUTSTANDING Kid!!

### WTC Jr. Boys

**Champion** - Tank - ID

2<sup>nd</sup> Sheriff Rango - NV

3<sup>rd</sup> Any Time Kid - CA

Then we switched things up a bit and rolled out the Men's Mag 7 Finals before the ladies, due to a few cats from Arizona having to catch a plane ☆. But hey, the ladies didn't mind watching the men go first and neither did anyone else...The show must go on. The first 4 seeded men switched things around a bit, leaving the top 3 to fend for themselves. Nobody staying clean and only the top 3 seeded didn't do the shuffle of order.

# *Eagle Rock Outlaws host the* **2021 GRAND TETON GUNFIGHTS**

By Dangerous Dave

**I**daho Falls, Idaho—The 11<sup>th</sup> Annual Grand Teton Gunfights was our biggest event EVER with 72 Shooters traveling to the Hideout from places like Wisconsin, Oregon, California, Arizona, Utah and of course Idaho!! Friday we began pre-registration for those early arrivals and around 3:00 p.m. we opened the ranges for practice. Then at 5:00 we began our “Open Range” event for our sponsors and the public to try Cowboy Fast Draw!! It was a huge success and lots of fun!! Saturday morning we gathered everyone up to Pledge the Flag, and after the roll call and mandatory shooters meeting, we gave away 2 guns!! Congratulations to Iron Hip and R.G!! After that we gave our early bird prizes away and Ida Hitt gave her annual “Thank You” speech to all the attendees, club members and volunteers that helped make this annual event a huge success. We gathered the group for a picture and then we filled the line and began the Main Match! We shot the Men first followed by the Youth division and then the Ladies. We shot 7 rounds and finished just in time to sit down for dinner at the range. Then we took a few minutes to announce how all the shooters placed in the Main Match along with the seeding for the Top 5 Shoot-offs for Sunday.

Sunday morning we had our shooters meeting at 7:30, pledged the flag, had a quick roll call and by 8:00 we had both Ranges A & B shooting the traditional Ransom Shoot, 2-X Last-Man Standing competition! Once we finished the Ransom Shoot we took a short break before beginning the out Top 5 Championship Shoot-Offs!

We had 4 youth shooters this year, 2 Annie Oakley's and 2 Billy the Kids. Silent Shot is our Billy the Kid Champion for the 2<sup>nd</sup> year in a row and Quick Freeze was 2<sup>nd</sup>. *Snake River Gunslingers/Eagle Rock Outlaws Club Member*

*"Safety first, fun second, competition third"*

*The motto of Cowboy Fast Draw that we've all heard*

*There's more to this club though, you can bet*

*Then facing a target and waiting on "Set"*

*It's a group of people from all walks of life*

*Who gather together to forget about worries and strife*

*Where smiles, handshakes and hugs abound*

*And along the way new friends are found*

*It's a way of life we attempt to represent*

*To keep 1800's history alive is our intent*

*Our authentic representation is put to the test*

*In regard to those who settled the West*

*There are gamblers and trappers, tin horns too*

*Of Steampunk and pioneers, you'll find a few*

*Buckaroos will show off more than their rope tricks*

*Even a few dance hall girls are sprinkled in the mix*

*With leather belts, holsters and a Colt .45*

*Strapped to our hip we keep tradition alive.*

*Ruger, Uberti and Cimmaron just to name a few*

*Blued or stainless steel, it don't matter the hue*

*There could be more that I don't recall*

*And the many outfits are sure to enthrall*

*But no matter the era in which you are dressed*

*It's a place you'll find camaraderie at its best*

*Yes, there's more than shooting to this sport we all love*

*It's something much bigger that we can be a part of*

*Becoming family and friends to those down on their luck*

*Supporting each other and stopping the buck*

*A joke here and there lightens the mood*

*For it is not as much fun if the group is subdued*

*Pull on your boots and come join the scene*

*Give it a try and you'll see just what I mean*

*We don't care if you're short or tall, young or old*

*Or if you're shy, why, we'll soon make you bold!*

*All are truly welcome in this great sport*

*The great cowboy code we won't distort*

*It won't make a difference if you're fast or slow*

*There'll be plenty of opportunities for you to grow*

*Don't worry about speed for consistency is key*

*You'll be encouraged along the way, this I guarantee*

*With a six-gun in hand and alias applied*

*The spirit of the west cannot be denied*

*To the atmosphere you're sure to take a shine*

*So, keep shooting straight and we'll see you on the line.*

# ~ Recipes of the Past ~

Most of us are of the age group that we can remember the “Andy Griffith Show”. How Aunt Bee would make some of the most wonderful dinners for Sheriff Andy, Opie and Barney Fife! Several years ago, I bought the cookbook “Aunt Bee’s Mayberry Cookbook”. It’s a fantastic trip down memory lane, showcasing all the cast and crew that were connected to the show and its success for bringing joy into our living rooms for many years and to this day, still enjoying the antics of Goober, Barney and the rest of the gang. But bringing them all together was Aunt Bee’s “suppers” at the end of the day!

Not only being a fun book to read it’s full of “Mayberry” recipes from folks around the country! Here’s one that I tried out. Seeing how it was wintery cold out one day, a “soup day” seemed to be in order! Called “Aunt Bee’s Lentil Soup” ~ I tweaked it a bit to fit our taste - Super Easy, served with warm corn bread drowning in honey butter, it hits the spot! - Enjoy! Alotta Lead

Here’s what Aunt Bee would have needed:

1-Lb of your favorite smoked sausage, sliced into small chunks  
 1 cup diced red or yellow onions  
 1 cup each diced celery & diced carrots  
 ½ Teaspoon oregano –  
 ½ Teaspoon garlic salt  
 1 Tablespoon brown sugar -like it a bit sweeter? Try a wee bit more brown sugar  
 1 – small can tomato paste – 6oz can -use only half can-3oz...more if you want though  
 1 – large can stewed tomatoes (Italian flavored is super tasting in this soup) - 20 oz can  
 1 pack of Onion Soup mix  
 1 ½ Lbs. Dried Lentils  
 8 cups water  
 Season to your liking.....more onion soup mix, more garlic, a bit of black pepper.....  
 Add all ingredients in a large stock pot EXCEPT the tomato paste & stewed tomatoes. Cook for 1 ½ hours.  
 Add all canned tomato items and simmer for another 30-45 minutes-  
 As Andy would say... “Mighty Fine Aunt Bee – Mighty Fine”!

# RANGE MASTER NEWS AND UPDATES

2022 is starting off to be a busy and eventful year! As of the first of February, we began a very large update of our Range Master roster and paperwork. The most obvious change was the large number names taken off the RM roster. We went from 481 to 130 names. This was the group of shooters that had been expired for over a year. That looks like a drastic reduction. And by all rights it is, but don't let it scare you. Most of those people were inactive. And the ones that are still active and would like to get back on that list are welcome. At this point you will need to do the initial paperwork to become a RM. This includes the RM class and being observed running the line in competition.

We had to have a new starting point since taking over the duties of taking care of the Range Masters and the paperwork that goes with it. In the days ahead we will be here to help folks who interested in becoming an RM or who wish to renew their status. RMs are very important and are the backbone of our titled events. So, it's

very important to make sure that our RMs are up to date with the newest rule and procedure updates.

Wildfire and I will be here for any questions or concern you may have. Always feel free to reach out to us.

Green River  
Range Master General  
[maidennick@yahoo.com](mailto:maidennick@yahoo.com)

## To All of Our Annual Members Plan ahead for your renewal

Of Course, the easiest and quickest way to renew is online. But you can usually call our CFDA Office to renew, upgrade to a 3-Year or Life Membership

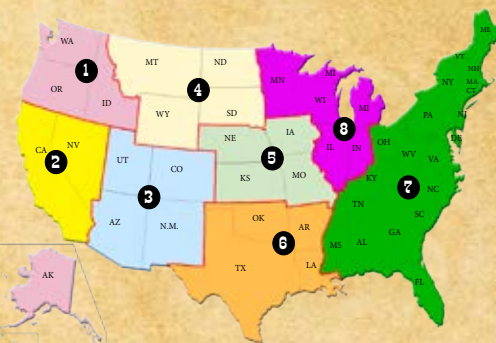

Most times there will be at least one of us in the office, between 8:30 a.m. to 4:30 p.m. Monday - Thursday. But, sometimes we are busy talking to another member or packing orders, please don't forget to leave a message so we can get back to you.

The CFDA crew does plan on attending more Titled Championships in the upcoming year and there will be times when we're not in the office...."Gone Shoot'in'" as the sign says! For instance, the office will be closed from June 10<sup>th</sup> - 22, 2022. We're heading to the Colorado State & 4 Corners Territorial, then on to our National Championship in Deadwood.

**So if you would.....please don't wait until the week of an event to renew** when you know you have expired or are about to expire. As hard as we try to accommodate every request, we cannot or *guarantee* your new card will get to you in time for the event nor can we send anything "over-night". The way the mail system is moving it can take up to a week or more just to travel from Nevada to California...not kidding!

**Renewal Postcards Notices.** We also send out **bright yellow** "Renewal" postcard for your convenience, months in advance of when you expire. If you're not getting them, check with us to make sure we have your correct- updated information. Members will move and not let us know that their address, phone number, email etc. has changed, then call us to let us know that they are not getting the post cards or the Gazette.

## Are You Looking For a Cowboy Fast Draw Six-Gun?

### COMPETITION READY!

These six-guns are completely ready to go and come complete with a Dead Eye Kid "Six-Gun Setup". We do not sell our six-guns any other way. All the six-guns we sell are brand new and have only been test-fired, unless we specifically state otherwise.

We only stock guns offered by sponsors of the Cowboy Fast Draw Association. **We support those who support our sport, as most of our members do.** Those Sponsors are Ruger, Pietta of Italy, and Taylor's & Co. We sincerely hope that when choosing your Six-Gun from any source, that you consider who helps make Cowboy Fast Draw possible.

### Payment, Shipping & Transfer Information (We Only Ship To FFL Dealers)

Cowboy Fast Draw Association holds a Federal Firearms License (FFL). We only ship (usually USPS) and transfer firearms to other FFL Dealers, which costs \$30 per gun. It is up to the purchaser to choose their FFL Dealer and instruct them to FAX (775) 575-5748 or email (info@cowboyfastdraw.com) a copy of their FFL to us. After receiving payment we will then ship the firearm to your FFL Dealer, who will then be responsible to have you fill out the appropriate forms and conduct a background check, according to Federal and your State Laws and Regulations.

The buyer is responsible to pay all transfer fees, background checks directly to their FFL Dealer of choice.

**All Firearm Sales Are Final.** In the unlikely event that your FFL Dealer cannot process your transfer paperwork due to a background check that did not pass. The buyer may contact our office and request a return of the firearm and a refund of the sale. The gun must be returned to CFDA only by the FFL Dealer that it was originally sent to, in the original condition. A refund of the sale will be made, minus the original \$30 shipping fee and a 10% re-login/re-stocking fee.

Available in the CFDA General Store or Call CFDA Main Office at 775-575-1802

## DEAD EYE E-Z LOADERS Wax Bullets

**Try 'Em, You'll Love 'Em!!!**

A precision process is used to create the most consistent and accurate wax bullet on the market. The bullet is a "Boat Tail" design, with the tapered end going in first. This wax bullet is designed to break apart on impact, reducing bounce-back projectiles. The wax-polyethylene formula allows for the least amount of waxing in barrel rifling. The wax formula is also designed to load well on a progressive reloading press reducing fracture bullets significantly, making it the #1 bullet used for CFDA Titled Championships.

# JOIN THE FAST GROWING SPORT OF COWBOY FAST DRAW! DEDICATED TO THE ROMANCE & LEGEND OF THE OLD WEST A FRIENDLY SPORT THAT PROMOTES FIREARM SAFETY, INTEGRITY, SPORTSMANSHIP, AND THE COWBOY WAY.

**OUR MOTTO IS: SAFETY FIRST, FUN SECOND, AND COMPETITION THIRD**

## THE GUNS

Single-action revolvers, factory chambered for .45 Colt caliber, with non-adjustable rear sights such as: SAA Colt, Colt Bisley, 1858 Remington conversions, 1875 Remington, S&W Schofield and faithful reproductions thereof, plus most Ruger Vaquero models. The external parts of the revolver must match factory stock contours and made of original type material: i.e. hammers must not be bent in any way. No trigger shoes, no mods to the trigger guard or grip frame, etc. Front sights are optional and barrels must be a minimum length of 4-1/2", except in the Shootist Category (7-1/2"). Hammer knurling may be smoothed.

## THE HOLSTERS & GUN BELTS

1800's-style Mexican Loop, Slim Jim, and California Pattern holsters or leather rawhide construction. The over the belt-style holster will be worn on the side of the leg only. No cross-draw, shoulder, buscadero, contemporary Hollywood or steel lined holsters are allowed.

## AMMUNITION

95% of ammunition used in Cowboy Fast Draw is .45 colt casings that are specially modified to accept 209 shotgun primers and no gun powder. Velocities reach about 650 fps. Only in major competitions Cowboy Fast Draw Cartridges are used, they must be loaded by CFDA approved reloaders.

## TARGETS (THREE STANDARD TARGETS)

24" Round Plate - 50" Height to Center - Start Light in Center  
17-3/16" Rnd Plate - 47" Height to Center - Start Light in Center  
17-3/4" Balloon-Disc - 47" Height to Center - See Specs  
White lithium grease is applied to target plates, to track all wax bullet hits.

## COMPETITION TIMERS

Digital timers must time to the thousandth of a second. Sanctioned contests must use target with impact sensors.

## SHOOTING STYLE

Most folks use a thumb-cocking method, but fanning is allowed. Trigger finger must be out of the trigger guard. If used to cock the hammer the off-hand must not be placed in front of the body before the start light comes on.

## CONTESTS

Contests are shot elimination style, best 2 out of 3, or 3 out of 5 shots per round. The standard contest is luck of the draw man vs. man elimination.

## CLOTHING

1800's period clothing is strongly recommended. Western cowboy, including working cowboy clothing is acceptable. Western boots or moccasins are acceptable footwear. Western-style blue and black jeans are acceptable. Victorian Steampunk is also allowed.

## SAFETY

One of our primary goals is to educate as many people as possible in the safe and proper use of firearms. Even though we use wax bullet ammunition, we treat them as they were live ammunition and observe all established range safety rules.

## SOME OF OUR GOALS

To keep our clothing & equipment such as guns and holsters true to form of the time period that we represent (1873-1899). 1873 is the year that the Colt Peacemaker was introduced.

To promote a positive public image of our sport and gun sports in general, since Cowboy Fast Draw is commonly held in public venues. To promote spirit of the American Old West and the Cowboy Way.
